## The History of the Domain

We are a family domain of 9 hectares (22.5 acres). Our vineyard is spread over the communes of Pommard, Beaune and Meursault. We tend our vines and produce our wines in the traditions of Burgundy.

Coming from a very old family of *vignerons*, Monsieur Louis VIRELY set up in Pommard when taking over the domain of his parents-in-law at the beginning of the 20<sup>th</sup> Century.

In 1951, his son Bernard took over a part of the domain and married a *vigneronne* in Meursault, thereby enriching the domain with the following appellations:

- Meursault Village
- Meursault 1<sup>er</sup> cru Les Charmes

Together, they bought and replanted the “Clos de l’Ermitage” as well as various parcels in the village of Pommard. The **Domaine Virely - Rougeot** was born.

In 1994, the domain acquired 0.50 hectare of Pommard 1<sup>er</sup> Cru “Les Chanlins Bas”.

Today, one of their sons, Patrick, and his wife protect and perpetuate the family tradition.

During 2003, the Domaine acquired:

- 12.80 ares (0.33 acres) of Pommard 1<sup>er</sup> cru “Clos des Arvelets”, making it the biggest owner of this particular appellation, with 2 hectares (5 acres).
